**Questions and Answers**

**Will Morgan, Director of Government Relations, North Carolina Chapter of the Sierra Club**

Question from Senator Rabon: Western North Carolina being unsuitable and Eastern North Carolina being unsuitable in some cases, how about central North Carolina? Do you just go east and west or do we have a central section of the state?

Mr. Morgan: I think it was divided in half.

Senator Rabon: In half rather than the normal Coastal Plain, Piedmont and Mountain. Okay. Thank you.
